

**Scope:- Bucket Collection Procedure for TED40 event.**

This procedure outlines the Bucket Collection operation for the TED40 event.

**General: -** Where a bucket collection permit has being granted by the Gardai the following rules must apply.

- Collection is **NOT** permitted at any traffic location, as follows
  - ✓ Alongside the Float in open-road movement.
  - ✓ At any traffic location, i.e. Traffic Lights – Roundabouts – Junctions etc.
- Permitted bucket collection can be conducted in Town / Village / City location **only**.
- Bucket collection activities should be delegated to non-pushing team members.
- Collectors must stay on the footpath, no collections permitted on the roads, in between traffic.
- Do not solicit a donation from a motorist / pedestrian that may cause any traffic disturbance that could result in an accident.
- If collecting in public locations do not distract your pushing colleagues that may cause an accident.
- While representing your team, company and the event, please exercise extreme courtesy with the public.
- Bucket collectors should be identified by wearing an official event hi-visibility bib.

**Environmental Note:-** Please respect the country environment and place all waste in the on-board waste bin.
